

Dear Parents / Carers

## **CONNECT! COMMUNICATE! COLLABORATE!**

How can we encourage you to help us, in turn, help your children to ensure they succeed and become an important part of our community?

Together we can achieve many things but we need parents and the local community to engage with the school and the students.

## **TELL US WHAT WE CAN DO TO ACHIEVE THIS.**

Come along and meet like-minded parents on **Tuesday 26th March at 6pm in HU6 at TDMS** to explore different ideas about supporting and promoting our school.
